Emergency Medical Technician (EMT)
Initial Course Registration Process
June 19 - October 7, 2023

Registration Steps for EMT class: EMS-4200-45349

Step 1- Gather these documents:

1. High School Diploma or GED
    a. If taking the reading comprehension, bring copy of results (CASAS Reading Exam score of 249 or higher). Please contact the Academic Center for Excellence at 910-755-7334 in order to schedule an appointment.
2. Copy of valid Driver's License (must be 18 years of age prior to August 11, 2023, per contracted clinical and field site requirements).
3. If your agency is covering the Insurance and Supply fees you must have a letter stating that, to include the amount, *on their official agency letterhead*.

Step 2- Bring the above documents and method of payment (see fee schedule below) to the **Admission's Office** located at BCC Main Campus, Building A, located at 50 College Road, Bolivia, NC 28422. You will complete the registration form at this time.

Step 3- Begin gathering your immunization records (listed on next page) and purchase required textbook package.

Monies due at time of registration is $267.50

Registration Fee	$180.00 (unless fee waived under NCCCS waiver)
Insurance Fee	$57.50
Supply Fee	$30.00

Other items and fees associated with class

Textbook Package	**$316 - $450** (varies based on electronic or printed package, and where purchased). Textbook- Emergency Care and Transportation of the Sick and Injured Advantage, 12th Edition, with FISDAP testing. Available at the BCC Bookstore, or via the optional discounted order links listed on the next page.
AHA BLS Manual	**$17.50** (must be current edition. Can be borrowed or used).
Complio for Clinical	**$142.00** – Includes criminal background check (felony convictions or pending misdemeanors not allowed; except minor traffic violations), drug screening and access to online portal
MyClinicalExchange	**$39.50**
BCC Clinical Polo Shirt	**$33.00** – available for purchase in BCC Bookstore
Clinical Registration Fee	**$180** – due during Clinical registration on August 9, 2023
Total for Program:	**$995.50 – $1,200.00** (depending on textbook preference)

Emergency Medical Technician (EMT)
Initial Course Registration Process
June 19 - October 7, 2023

***Other required items (costs vary by student needs):**

a. Physical screening performed by physician attesting student is fit for EMT duties.

b. Uniform pant, belt and boots (will be discussed first day of class)

c. Immunizations/Vaccinations (**DUE by July 12, 2023**). Several of these are childhood immunizations which may be found through your physician, the county health department, or your parent or guardian. If you cannot locate these records you can take a simple blood test, called a titer test, which checks for antibodies for many of these required items.

   i. Current Influenza (flu) Vaccination (required October - March)
   ii. Two (2) Measles, Mumps, Rubella (MMR) vaccinations or positive antibody titer
   iii. History of Chicken Pox (documentation required) or 2 Varicella immunizations
   iv. TB skin test (PPD). This is a two-step process, requiring two separate TB skin tests performed and read within 7-21 days of each other. TB screening is due every 12 months. Contact your physician or county health department to have this accomplished.
   v. Tetanus vaccination within the last 10 years (must remain current during the EMS course)
   vi. Three (3) Hepatitis B vaccinations or a signed declination statement.
   vii. Completed COVID-19 series (Novant Health does allow requests for religious or medical waiver, but such approvals are not guaranteed. BCC has no input or authority over that decision-making process). The exemption request can be found here: https://nh.team/exemptionrequestform

**Cost can vary by medical provider and your personal medical insurance coverage*

Mental Health and Wellness

Prehospital healthcare is a service industry type of profession. We help others in their time of need, which is very rewarding yet also very stressful.

Pride and ownership for your profession while helping others in their time of need are amazing experiences. With this in mind, maintaining a healthy balance related to your mental and physical health are extremely important.

Find constructive and healthy hobbies that you enjoy, eat reasonably well, stay active, and always make some healthy time for you.

For any questions, please contact:

Chip Munna, EMS Program Director
munnaj@brunswickcc.edu

910.755.7387

Per NCOEMS Rule, students have 90 days from date of completion of the course to make their first attempt at the North Carolina State EMT Exam

"The Brunswick Community College Paramedic program holds a Letter of Review, which is NOT a CAAHEP accreditation status, but is a status granted by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation standards through the Letter of Review Self Study Report (LSSR) and other documentation. However, it is NOT a guarantee of eventual accreditation."
