Date: January 1, 2017

Parties Involved: Alarm Company – Simplex Grinnell
Brunswick Community College – Maintenance Department
Brunswick Community College – Information Technologies Department (IT)
Brunswick Community College – Police Department

Testing of all fire and burglar alarms on Main Campus and satellite facilities was conducted for the calendar year 2016 in accordance with the Clery Act. The buildings affected were:

A	50 College Rd	B	110 College Rd	C	60 College Rd
D	40 College Rd	E/F	30 College Rd	G	10 College Rd
H	199 College Rd	J	115 College Rd	L	210 College Rd

Leland Campus 2045 Enterprise Dr, Leland

Brunswick Education
Transitional Center 104 Ocean Hwy East, Supply

Odell Williamson
Auditorium 150 College Rd

South Brunswick
Island Center 9400 Ocean Hwy

Southport 705 North Lord Street

All systems reported normal and functioning properly.

In conjunction with the fire/burglar alarm testing, Brunswick Community College also tested the Emergency Notification System. Notifications were disseminated to all employees and students.

There was no delay in the emergency notification system and system was working properly.

Brunswick Interagency Programs conducts fire drills once a quarter.

Maintenance staff tests the generator weekly.
