

BRUNSWICK COMMUNITY COLLEGE

CUSTOMIZED TRAINING PROGRAMS

A member of our team can customize training to focus on your area of specific work skill needs. Your employees will receive quality training from qualified instructors at a minimal cost to you. On site training will eliminate the costs of travel and reduce employees' time away from work. The training can occur at times that are most convenient to you and your employees, with minimal employee down time.

The Customized Training Program supports the economic development efforts of the state of North Carolina by providing education and training opportunities for eligible businesses and industries.

The Customized Training Programs recognizes the importance of a well trained workforce in the state of North Carolina. The goal of the Customized Training Program is to foster and support three key aspects of your company's well-being:

- Job Growth
- Technology Investment
- Productivity Enhancement

"Brunswick Community College and Economic and Workforce Development, and specifically the Customized Training Program, is an exceptional partner in TRITECHFORENSICS' journey to obtain ISO 9001 Certification. This training and certification will enhance our ability to gain more business in the EU."

*Eric A. Barton, Vice President
TRITECHFORENSICS, Southport, NC*

"Brunswick Community College is the 'one-stop-shop' for our Training needs. The College, and specifically the Customized Training Program, has been extremely responsive to ADM while delivering exceptional quality training. ADM will continue to partner with Brunswick Community College for our training needs."

Perry Sellers

*Director, Safety/Security/Personnel, Food Additives Division
Archer Daniels Midland Company (ADM), Southport, NC*
