

WebAdvisor Advising & Registration Process

How to use WebAdvisor for Advising & Registration for Faculty

1. To begin, access the WebAdvisor homepage by clicking on “**LOG ON TO MY BCC**” and then on the “**WEBADVISOR**” link.

2. You are now on the WebAdvisor homepage. Click “**LOG IN**” and, on the next screen, enter the same **CREDENTIALS** which you use to log into the computer in your office. Click “**SUBMIT**”.

Note: The first time you log into WebAdvisor, you will be prompted to change your password. Your password to log into the computer will change at this time as well.

3. You are now brought to your personal landing page. This will display banners for each area of WebAdvisor for which you have access. Click on “**FACULTY**” to display the “**FACULTY DASHBOARD**”, showing all of the tools you have access to in your capacity as a faculty member.

For the purposes of advising and registration, there are several aspects of WebAdvisor which you will utilize, assisting in:

1. **REMOVING THE REGISTRATION HOLD IN COLLEAGUE.**
2. **PERFORMING A “PROGRAM EVALUATION” TO DETERMINE WHICH COURSES A STUDENT SHOULD REGISTER FOR.**
3. **HELPING YOUR ADVISEE BUILD THEIR “PREFERRED SECTIONS” LIST FOR REGISTRATION.***
4. **HELPING YOUR ADVISEE REGISTER FOR (ADD OR DROP) COURSES.***
5. **VIEWING YOUR ADVISEE’S COURSE SCHEDULE FOR THE SEMESTER.**

Each of these processes will be covered in detail in this training guide.

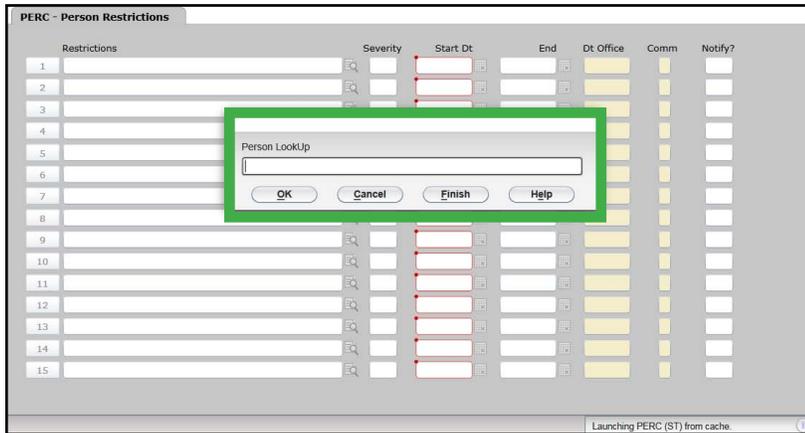

**These processes are student-only, so the student instructions are provided. Faculty cannot build a “Preferred Sections” List for their advisees, nor can they register the students in WebAdvisor from the “Preferred Sections” List.*

Removing the Registration Hold in Colleague

1. To begin, log into Colleague and access the mnemonic “PERC” (Person Restrictions) using the **SEARCH FORM**.

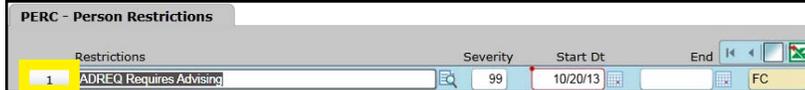

2. The PERC form will display, enter the Student's ID number or name in the **PERSON LOOKUP** window.

3. Locate the “**ADREQ HOLD**” (registration hold). As long as this is on a student's record he/she will not be able to register, even if registration has opened!

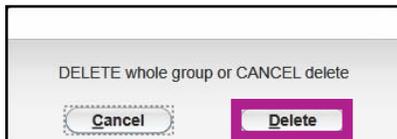

4. To remove the hold, first click the **NUMBER** on the far left of the line that the “ADREQ HOLD” appears on.

5. Next, click “**DELETE**”, when prompted.

6. Then, click “**DELETE**”, when prompted a second time, to remove the hold.

7. The line which contained the “ADREQ HOLD” should now be **BLANK**.

8. Click “**SAVE**” at the top of the screen.

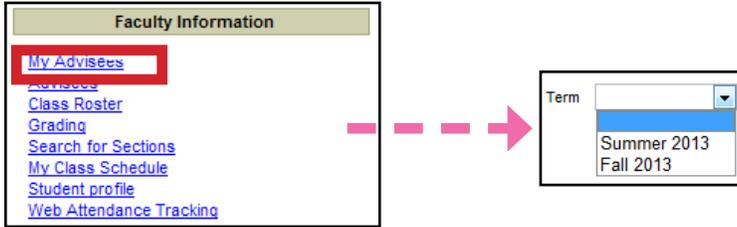

9. Click “**UPDATE**” to complete the transaction, saving the removal of the registration hold for the student.

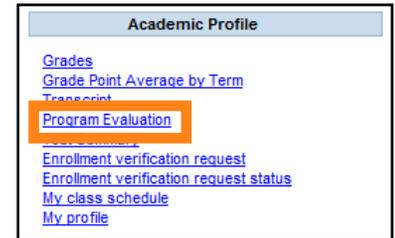

Performing a “Program Evaluation”

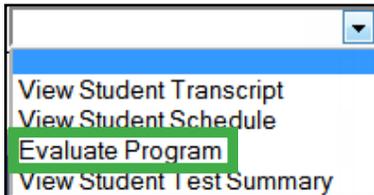

- To begin, click on **“MY ADVISEES”** under the “Faculty Information” banner on the “Faculty Dashboard”. Then, choose the correct term to limit your list.

Alternatively, a student can get to Step 3 by clicking on **“PROGRAM EVALUATION”** under the “Academic Profile” banner on the “Student’s Dashboard”.

- Next, choose **“EVALUATE PROGRAM”** beside the correct advisee.

- On the next screen, you will be prompted to either choose one of your advisee’s **ACTIVE PROGRAMS OF STUDY** or to perform a **WHAT/IF ANALYSIS** of a potential program of study change.

Program Evaluation

You may select either an active program or a “What if” program.

* = Required

Choose One	Active Programs
<input type="radio"/>	CONED Continuing Education
<input type="radio"/>	A1010I Pre-Major Nursing
<input type="radio"/>	C55140 Cosmetology

What if I changed my program of study?

What work do you want to include? *

- To perform the “Program Evaluation” on one of your advisee’s **ACTIVE PROGRAMS OF STUDY**, simply click the **RADIO BUTTON** beside the program of study, and then click **“SUBMIT”** at the bottom of the page.
- To perform a **WHAT/IF ANALYSIS** of a potential program of study change, choose the program of study for which you want to perform the analysis on from the **DROP DOWN**, and click **“SUBMIT”** at the bottom of the page.

Choose One	Active Programs
<input type="radio"/>	CONED Continuing Education
<input checked="" type="radio"/>	A1010I Pre-Major Nursing
<input type="radio"/>	C55140 Cosmetology

A “What/If Analysis” will take the courses your advisee has completed and those he/she is currently completing/signed up for and show how they could be applied to a new program of study.

*In other words, this would aid you in determining how much additional coursework would be required in a new program of study **BEFORE** the student officially changes it in the Registrar’s Office!*

NOTE! You cannot perform a “Program Evaluation” of one of your advisee’s active programs of study and a what/if analysis at the same time. You must choose one or the other.

Building The “Preferred Sections” List

Your advisee must do this his/herself; you cannot build a “Preferred Sections” List for a student.
As such, these are the Student instructions on how to do so.

- To begin, click on “REGISTER FOR SECTIONS” under the “Registration” banner on the “Student’s Dashboard”.

- On the next screen, click on the first option, “SEARCH AND REGISTER FOR SECTIONS”.

- This displays the “SEARCH/REGISTER FOR SECTIONS” Form. You can search for courses based on any number of criteria, but **TWO ARE REQUIRED**: a **TERM OR DATE RANGE** and **at least one OTHER VARIABLE**.

The following other variables may aid you in your search for courses:

The “SECTIONS MEETING AFTER” and “SECTIONS MEETING BEFORE” drop downs and “DAYS OF THE WEEK” checkboxes allow you to limit your search by meeting day(s) and times.

The **INSTRUCTOR'S LAST NAME** field allows you to search for a particular instructor by last name.

The **LOCATION** field allows you to limit your results to a physical location.

Note! The more specific your search criteria are, the better your results will be. For example, searching for the “Subject” of “ACA” will yield ACA-085, ACA-115, and ACA-122 courses...

...but searching for the “Subject” of “ACA” and the “Course Number” of “085” yields only ACA-085 courses.

ONLINE COURSES can be searched for with the “LOCATION” of “Internet Course”.

When you have entered your search criteria, click “SUBMIT” to start your search.

- Your search results will display based upon the criteria you entered. To save a course to your “Preferred Sections” List, click the **CHECKBOX** beside the course and then click “SUBMIT”.

Select	Term	Status	Section Name and Title
<input checked="" type="checkbox"/>	Fall 2013	Open	ACA-085-01A (17347) Improving Study Skills

Note! You can select more than one subject and/or course at once!

Registering For (Adding/Dropping) Courses

Your advisee must do this his/herself; you cannot register from a "Preferred Sections" List for a student. As such, these are the Student instructions on how to do so.

- To begin, click on **"REGISTER AND DROP SECTIONS"** under the **"Registration"** banner on the **"Student's Dashboard"**.

Note! If registration is open when you build your "Preferred Sections" List and your advisor has removed your registration hold, you can register from the same screen (shown in Step #2) on which your "Preferred Sections" List initially appears.

- The **"REGISTER AND DROP SECTIONS"** form displays, showing your **"Preferred Sections"** List you built previously.
