CAREER DEVELOPMENT SERVICES

Brunswick Community College provides career planning and placement services to its students, alumni, and the employers of Brunswick County. The Career Center provides the following services: career counseling, resume' preparation, interview preparation, applicant screening, Internet access to job banks, access to the Employment Security Commission job listing, and job development. These services are available at no cost to the student.

*Approved by the Brunswick Community College Board of Trustees
November 19, 1997
June 28, 2013*
