

FUTURE READY CODES (FRC)/OUT-OF-STATE TRANSCRIPT

POLICY

Beginning with the 2013 graduating class, North Carolina high school graduates' transcripts will include *Future Ready* codes (FR) that indicate mathematic courses taken, e.g., Algebra I, Geometry, Algebra II, and one additional upper level mathematics course, as part of their course of study.

When transcripts are devoid of an FR code, e.g., graduating prior to 2013, out-of-state students, etc., students' grade point average at the end of the first semester of the senior year/12th grade or ACT/SAT test scores will be used to determine placement if within five years of college enrollment. If the transcript or ACT/SAT tests scores are more than five years old or unavailable, test scores from the NC Diagnostic Assessment and Placement Test (NC DAP) will be used to determine placement.
