Economic and Workforce Development Mission Statement

The mission of Brunswick Community College, is to provide opportunities for individuals to be successful through accessible, high quality programs and services that meet the educational, cultural and workforce development needs of the community.

A Word About Waiting: Don't Wait. Register Early

Have you ever signed up for a class only to find it canceled for lack of enrollment? Well here are two ways to help keep your selected class on the schedule. Register early - do it today! Each class has a minimum enrollment requirement. Once that number is reached, the class is a go. If you find a class you like, encourage a friend to join you. Sometimes two or three people can make the difference between a Go or Cancel. So, the word about waiting is DON'T! Register NOW!

REFUND POLICY

Refunds are allowed under the following circumstances:

1. A student who officially withdraws, in writing, from an occupational extension class prior to the first class meeting or if a class is cancelled shall be eligible for a 100% refund.
2. After class begins, 75% shall be refunded at the request of the student if the student officially withdraws, in writing, from the class prior to or at the 10% point of the scheduled hours of the class. Note: This rule is applicable regardless of the number of times the class meets or the number of hours the class is scheduled to meet.
3. For contact hour classes, students must withdraw, in writing, within 10 calendar days.
4. Self-Supporting classes will refund 75% to the student with an official withdraw from the class prior to the start date. No refunds will be issued after the start date of class.
5. If a student, having paid the required registration fee for a semester, dies during that semester (prior to or on the last day of examinations of the course the student was attending), all registration fees for that semester will be refunded to the estate of the deceased.

Automotive

Course	Start Date	End Date	Time	Day(s)	Cost	Location
Vehicle Escort - This course satisfies requirements set by North Carolina Department of Transportation for certification of oversize/overweight load escort vehicle drivers. Course components consist of defensive driving, escort driver requirements, updates, and an examination.

Workforce Development

Course	Start Date	End Date	Time	Day(s)	Cost	Location

Advanced Canine Obedience - This class is the next step up after the Basic Obedience Class. Handlers and their dogs will be pushed to the next level of obedience such as off lead heel, out-of-sight sit-stay and down-stay. Topics discussed in this class will go a little more in depth of understanding scent work and dog behavior. Pre-requisites: All dogs must have already achieved the AKC Canine Good Citizen certification and be able to provide a copy of their certificate. All dogs must present their rabies certificates and documentations of their series of shots including distemper. Handlers and their dogs will have the opportunity to take a temperment test and the AKC Community Canine Good Citizen test upon completion of the class. Class held at Shallotte Training Center.

9/25/18	11/13/18	1-3	T	$70	Shallotte FD

Basic Canine Obedience - This class will teach dog owners how to train their dogs to master basic obedience skills. The course is based on positive reinforcement and students are expected to practice the classroom skills at home between classes. Some of the basic skills will include a sit, down-stay, loose heel, and appropriate socialization behavior. Also, topics such as basic grooming, health and safety, pet CPR and first aid, and nutrition and diet will be discussed. This course will culminate in the administration of the Canine Good Citizen Test allowing the handler and dog to earn a CGC certificate. Upon completion of this program, the dog and handler will take a CGC test. Each handler will participate with a dog within a group atmosphere of other dogs to encourage socialization. Class held at Shallotte Training Center.

9/25/18	11/13/18	10-12	T	$70	Shallotte TC

Veterinary Assistant - This course allows you the opportunity to gain knowledge in veterinary terminology, anatomy and physiology, animal behavior and communication. Topics will also include obtaining and collecting specimens, emergency care, medical charts, and office management. Students will have the opportunity to volunteer at local animal hospitals, earn Pet CPR and First Aid Certification, along with certificates in Animals in Disasters: Awareness, and Preparedness and Community Planning through FEMA Emergency Management Institute.

8/7/18	10/11/18	6-9	TWTh	$202.50	BETCC

Adult High School Diploma (AHS)
The Adult High School Program is designed to allow students the opportunity to complete a high school credential that mirrors a public school credential. The program is accredited by the Southern Association of Colleges and Schools. This diploma is the same as those offered through public school systems. There is no cost for this program.

High School Equivalency Diploma (GED®)
This program prepares adults to take the General Education Development Test (GED®) through the Pearson Vue Test Center located at BCC. The test battery assesses academics in the following areas: Reading and Writing, Social Studies, Science, and Mathematics. Once a student has passed all four sections of the GED® test battery, he/she is awarded the high school equivalency diploma. There is no charge for classroom instruction to prepare for these tests. However, there is a fee for taking the test. Pearson Vue Test Center charges $20 per test.

English as a Second Language - This class will quickly improve the adult learner's ability to speak, read, listen, and write the English language. Any adult student who does speak English as their first language my enroll without fees or tuition costs. Students will have the opportunity to benefit from CASAS listening assessments and benefit from curriculum resources such as Reading Smart, Ventures and other selected texts and online platforms. Lessons are designed to move adult learners through the levels of ESL understandings via individual and small group instruction.

Brunswick Interagency Program (BIP)

The Brunswick Interagency Program (BIP) is an ABE program for Brunswick County's adults with Intellectual/Developmental Disabilities ages seventeen and up. Students attain high levels of competency in challenging academic subject matter and skills the college and business world feel are critical for success. Our mission is to enable students to reach their full potential, become more independent, and fully participate in their communities.

Adult Basic Education Program (ABE)
Students will have access to a continuum of educational programs based on their individual needs. All students are assessed on the Comprehensive Adult Student Assessment System. Our instruction is based on the North Carolina Community College System (NCCCS) content standards. Practical instruction is offered in the following areas: Reading, Writing, Mathematics and Technology/Computer Literacy. ABE provides a strong educational foundation for students that may have struggled during their public school years. All of the students enrolled in ABE are routinely assessed for learning gains and success is always celebrated!

Literacy for the 21st Century
Students encounter workplace literacy, safety scenarios, real world problem solving, and group critical thinking. Our instructors emphasize reading competencies that relate to job seeking and independent living, while promoting the value of writing and relate these skills to successful adulthood and independence.

Career Math and Personal Finance
Our instructional team is prepared to teach math, one concept at a time. Our approach to math instruction starts with a contextualized scenario. Shopping, sport statistics, numerical games, compound interest activities that capture student interest while remaining consistent with approved content standards.

Technology for Today
Our instructors are trained to assist students with learning how to access online job vacancies and build resumes through word processing programs. Students also learn to discern fact from opinion online while avoiding cyber scams. Finally, students are empowered to advocate for themselves by accessing service information and community resources.

Supported Employment
BIP offers an innovative approach to Supported Employment. Quality job matching is always the key to success! BIP offers assessment services; both community and on-site employment opportunities for students who wish to enter the working world. Our Job Coaches and Habilitation Specialists are highly trained, patient professionals.

Public transportation may be provided at a cost of $65 per month.

Monday – Friday | 8:30AM-3PM | Building E

Basic Rider CourseSM (BRC)

The Basic Rider CourseSM is a 22-hour course and is aimed at beginning riders of all ages. It is also a great course to reintroduce yourself to riding if you are re-entering motorcycling after not riding for a few years.

The course consists of classroom and range/riding time. Practical riding skills are developed in a controlled, off-street environment. The course is mandatory for motorcyclists under the age of 18 in the state of NC. Also, participants under the age of 18 must have a release form from both their school and their parent/legal guardian in order to take this course. Participants must attend all sessions fully to get credit for the class. Graduates of the course will receive a waiver card for the NCDMV. This waiver card provides an NCDMV endorsement on your license without having to take the NCDMV riding test. You will still have to pass the NCDMV written exam and vision exam in order to get your full endorsement. Graduates will also receive a completion card. This card could potentially qualify you for discounts on your insurance.

Course	Dates				
Basic Rider Course	9/6/18	9/9/18	6-10	ThSSu	$157
	10/4/18	10/7/18	6-10	ThSSu	$157
	10/18/18	10/21/18	6-10	FSSu	$157
	11/16/18	11/18/18	6-10	FSSu	$157
