CAREER AND COLLEGE PROMISE PROGRAM
AUTHORIZATION FORM
Brunswick Community College (BCC)

VII. Student Agreement:

Brunswick Community College wants all students to be successful in their college endeavors and to this end, it is important that all students understand the importance of class attendance. The BCC Catalog states:

Each student has individual responsibility for attending class regularly and for meeting course objectives.

A student is expected to attend all class meetings in a course. Rules on tardiness and leaving class early are addressed in each instructor's course documents. Instructors are required to record absences and report excessive absenteeism to the Registrar's Office.

If a student is absent for any reason in excess of 20% of the class hours, he or she is in violation of the Brunswick Community College attendance policy. Unless the student officially withdraws from the course prior to the 65% point of the 16 week semesters (or equivalent days for courses of other duration), he or she may receive a grade of "WF".

Students are responsible for all material presented in class including days they may be absent. It is at the instructor's discretion as to whether missed assignments may be accepted. Students should refer to the instructor's syllabus for course policies.

I understand that in order to qualify for financial aid at Brunswick Community College after I graduate from high school, I must complete and pass 67% of all academic courses that I attempt, as well as maintain a cumulative 2.0

GPA. Note: If you withdraw or fail a class, this will affect your 67% completion.

I have received and I understand career pathway information outlining program requirements for the completion of the diploma program (CTE diploma students only).

Further information regarding BCC policies can be found in the BCC Catalog (www.brunswickcc.edu/catalog-handbook). All students are encouraged to review the catalog to learn about curriculum requirements and their rights and responsibilities as a college student.

I have read and I fully understand the above stated information. I agree that all of the information listed on this form is accurate. I understand that I must continue making progress towards high school graduation and maintain a 2.0 GPA in college course work to remain eligible for this program. I authorize Brunswick Community College to release information regarding my enrollment, academic progress, disciplinary matters, and/or attendance to my parents, guardian, and/or high school. I grant BCC permission to change my major, if necessary, to accommodate the course I have requested. I also certify that I will not have graduated from high school prior to the start of BCC classes.
