INTERCOLLEGIATE ATHLETICS POLICY

Brunswick Community College’s intercollegiate athletic program contributes to the personal development of the students and is designed to promote total growth, including academic success, as well as physical and emotional well-being. In recognizing its obligation to develop and deliver a comprehensive educational program, the College acknowledges that academic study, taken solely and apart from other activities, may limit the achievements of the individual student later in life. Accordingly, the Trustees direct the President and his/her staff to pursue a viable student development program, which may include intercollegiate athletics, with limitations imposed by college resources and the students themselves. Ultimate responsibility for control of the athletic program rests with the President of the College.

The athletic program provides an opportunity for students to participate in some type of competitive sports activity as regularly as their interest, abilities and time permit. Students wishing to participate on various athletic teams must be in good academic and disciplinary standing. The academic standards are published in the College Catalog and Student Handbook.

Recruiting, admissions, financial aid, and academic eligibility are the same for all students. The Athletic Department provides some athletic scholarships through fundraising. All athletes adhere to the policies established by the National Junior College Athletic Association.
