

## **AUDIT POLICY**

Students may elect to audit a course for non-credit purposes when space is available. Students who wish to audit a course must follow regular registration procedures and must have approval of the Lead Instructor/Program Director responsible for the particular course. Permission to audit a course is granted one time per course. Under extenuating circumstances, such as illness, family death, job change, etc., a student may be allowed to audit a course a second time, subject to the approval of the Vice President of Academic and Student Affairs. Students neither receive credit for an audit course nor have credit hours count in the computation of grade point average. An audit course cannot be changed to a credit course, but a credit course can be changed to an audit course within the add/drop period. Tuition and fees for audit courses are the same as for credit courses.
