

**SOLICITATION AND ACTIVITIES ON COLLEGE PROPERTY****POLICY**

Brunswick Community College recognizes that individuals or businesses in the community may at times wish to use College facilities for advertising, distribution, or promotion for their business, political or personal purposes. The President will determine, along with other appropriate administration, acceptance or denial of requests.

---

**Section I: Solicitation**

Solicitation on College property (including all centers and Continuing Education classrooms) is generally prohibited. Individuals or agencies that would like to promote their products or services may request permission from the President or the Vice President of Budget and Finance (CFO) to establish a table or booth on the campus in an area designated for that purpose. Such requests should be made seven days prior to the proposed date of the visit to the College as stated on the application form.

**Section 2: Political Candidates**

Visitation on the College campus by candidates for political office or by their supporters for the purpose of distributing printed material, solicitation of votes, the promotion of candidates or partisan issues, or promoting their viability shall not be permitted during the normal operating hours of the College unless the individual or party is extended an invitation by the President. The candidates of all parties for the same office will be granted equal opportunity extended to any candidate.

*Approved by Brunswick Community College Board of Trustees*
