

How to request an IRS Tax Transcript for 2017

Tax filers can request from the Internal Revenue Service (IRS) an IRS Tax Return Transcript of their 2017 IRS tax return information, free of charge, by submitting form 4506-T or using one of the methods listed below.

Under all methods, tax filers need to provide their Social Security Number (SSN), date of birth, their street address, and ZIP Code as is currently on file with the IRS. This is the address included on the latest tax return filed with the IRS. However, if an address change was made either with the IRS or with the U.S. Postal Service, the IRS may have the updated address on file. If this is the case use the updated address.

Joint Tax Return - When requesting a transcript using one of the four electronic processes described below, use the primary tax filer's information (e.g., SSN). When requesting a transcript using one of the two paper processes described below, either spouse may submit the request and only one signature is required.
