ATI offers reporting of TEAS (Test of Essential Academic Skills) test results to schools as a convenience to nursing school applicants. However, it is solely your responsibility to ensure that each of your school applications, as well as your TEAS test results, is complete, properly submitted, and on file with each such school. Please note that if you are taking the TEAS exam at a school testing facility, your test results will automatically be forwarded to that school, in addition to any other school(s) that you have purchased herein to receive your test results. To send an official copy of your TEAS results to additional institutions after receiving the scores, please log on to your ATI account and go to the Online Store and select the TEAS/Discover Transcript. The institution will receive the results within 2 hours of the purchase.

Pursuant to the Americans with Disabilities Act, each testing institution must provide reasonable accommodations to individuals with a documented disability that hinders their ability to take any ATI assessment under standard conditions. It is the responsibility of each administering institution to determine how the disability will be reasonably accommodated in the testing process and for the proctor to ensure that the approved accommodation is in place. Please contact the testing facility to arrange ADA accommodations prior to registering for your TEAS session.

Please note: By clicking the "Register" button I agree to test on the selected date. I understand that I am responsible for repaying and rescheduling for a new test in the event that I am unable to attend my scheduled date.

- TEAS SELF PAY

After scheduling the test and paying the fees, the student will receive a confirmation email from ATI about the test center location and directions.
