

BRUNSWICK **COMMUNITY COLLEGE**

Nurse Aide-I Refresher Information Sheet:

Must come to class the first day in uniform and prepared for class

Class overview:

This class will prepare the student for Pearson VUE/Credential state testing to become a Certified Nursing Aide I. All students who attend this class must have completed a state approved Nurse Aide I course from any state in USA, and have active at one time on a Nurse Aide Registry. Please note that this is not a substitute class for Nurse Aide I Course.

Topics:

This class will demonstrate and allow the student to practice all 24 Pearson VUE/Credential skills. Theory/lecture will accompany the skill sets at each of the five class days. Students at the completion of this class will be prepared to register for the Pearson VUE written and Pearson VUE/Credential skills evaluation testing examination at a test site of their choice.

To Register:

YOU MUST BRING ALL THE ITEMS BELOW TO REGISTER & Make copy for yourself

Original Driver's License *or* State Issued Identification Card
Government ID (Social Security) or Passport * Social Security Card-must be signed and not laminated.
Proof of Nurse Aide I course completion from any state in USA
