BRUNSWICK
COMMUNITY COLLEGE

Online Pre- Orientation

Online Access

You only need to remember one password to access BCC's technology. Once on the BCC website (www.brunswickcc.edu), scroll down to the bottom of the page and click on MY BCC.

That take you to your Student Portal. In the portal, you will find instructions for setting your password and accessing all of BCC's online resources.

Your Username

Usernames are issued during the admissions process and are provided in your Acceptance Email. The standard username format is the first four letters of your first name (all lowercase) and the last five numbers of your student ID number.

Set your initial password and manage passwords through your Student Portal, Password Set and Reset.

Format:
- 8-10 characters
- Begin with letter or number
- Include both upper and lower case letters
- One special character

Accessing Courses

Moodle, is the course management system BCC uses for all classes, especially hybrid, blended, and online courses. It enables instructors to provide students access to course materials, communication tools, online assessments and grades, as well as the ability to submit assignments electronically.

Moodle is accessed through BCC's Student Portal. Your courses will **not** appear in Moodle until the start date of your class. For hybrid, blended, and online courses, you **_must_** immediately complete the "Enrollment Assignment" to remain enrolled in the course.

NOTE: Before classes begin, complete the Technology Orientation within Moodle to become familiar with BCC's technologies. The Orientation link appears on the right hand side of BCC's Moodle's main webpage.
