## CONTINUING EDUCATION & WORKFORCE DEVELOPMENT

### MANICURIST/NAIL TECHNOLOGY PATHWAY

This 300-hour course is approved by the NC State Board of Cosmetic Arts and is completed in just one semester. This exciting, hands on course will prepare the student to take the NC licensing exam and will cover manicuring, pedicuring, artificial nail enhancements and all safety and disinfection procedures as required by state law. NC state license testing is done through DL Roope Inc. CLASS SIZES ARE LIMITED.

Course work will include both written theory and practical hands on training in a simulated salon environment. This course requires either a high school diploma or an entrance exam administered at BCC.
