Congratulations to Mrs. Kelsy King, a recent graduate of Brunswick Community College's Gateway to Employment & Academic Readiness (GEAR) Program. After encouragement from her family, which Kelsy describes as "very large and supportive," Kelsy decided to earn her high school equivalency diploma at BCC. She enrolled in the GEAR program in March of 2021. She quickly passed all the exams except math, a subject area with which many students struggle. After several unsuccessful attempts at the math test, Kelsy almost gave up. But with the support of her family and the dedication and expertise of the HSE math instructors and staff of the GEAR program, Kelsy was able to pass her math exam and graduate in September of this year. Earning her high school equivalency made an immediate impact on Kelsy's future. Since earning her diploma, she has obtained a position working for Brunswick County Schools.

Basic Rider CourseSM (BRC)

BRC MOTORCYCLE COURSE

The Basic Rider CourseSM is a 22-hour course and is aimed at beginning riders of all ages. It is also a great course to reintroduce yourself to riding if you are re-entering motorcycling after not riding for a few years. The course consists of classroom and range/riding time. Practical riding skills are developed in a controlled, off-street environment. The course is mandatory for motorcyclists under the age of 18 in the state of NC. Also, participants under the age of 18 must have a release form from both their school and their parent/legal guardian in order to take this course. Participants must attend all sessions fully to get credit for the class. Graduates of the course will receive a waiver card for the NCDMV. This waiver card provides an NCDMV endorsement on your license without having to take the NCDMV riding test. You will still have to pass the NCDMV written exam and vision exam in order to get your full endorsement. Graduates will also receive a completion card. This card could potentially qualify you for discounts on your insurance.
